

Wait! You're not done!

Did you remember to:

- ✓ check for silly mistakes?
- ✓ put capital letters at the beginning of every sentence?
- ✓ check for run-on sentences?
- ✓ put your name, number, and date at the top of your article?
- ✓ include a quote in your article?
- ✓ use compound sentences? Did you combine some of your shorter sentences with a comma and conjunction?
- ✓ add adjectives, adverbs, and renamers to make your writing more descriptive?
- ✓ include at least one 3-action sentence?
- ✓ underline book titles?
